74'S  
SUPER SCIENCE MAN  
MR.  
ROBERT  
SCHEIBLE

The senior class has dedicated this annual to a man who has won our respect as a friend, teacher, and golf coach.

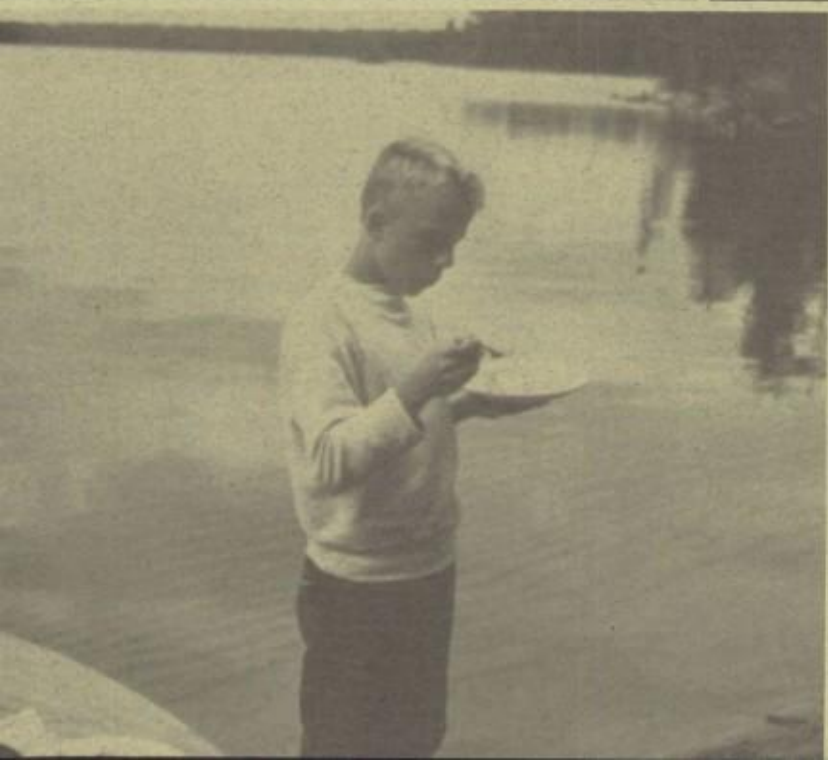

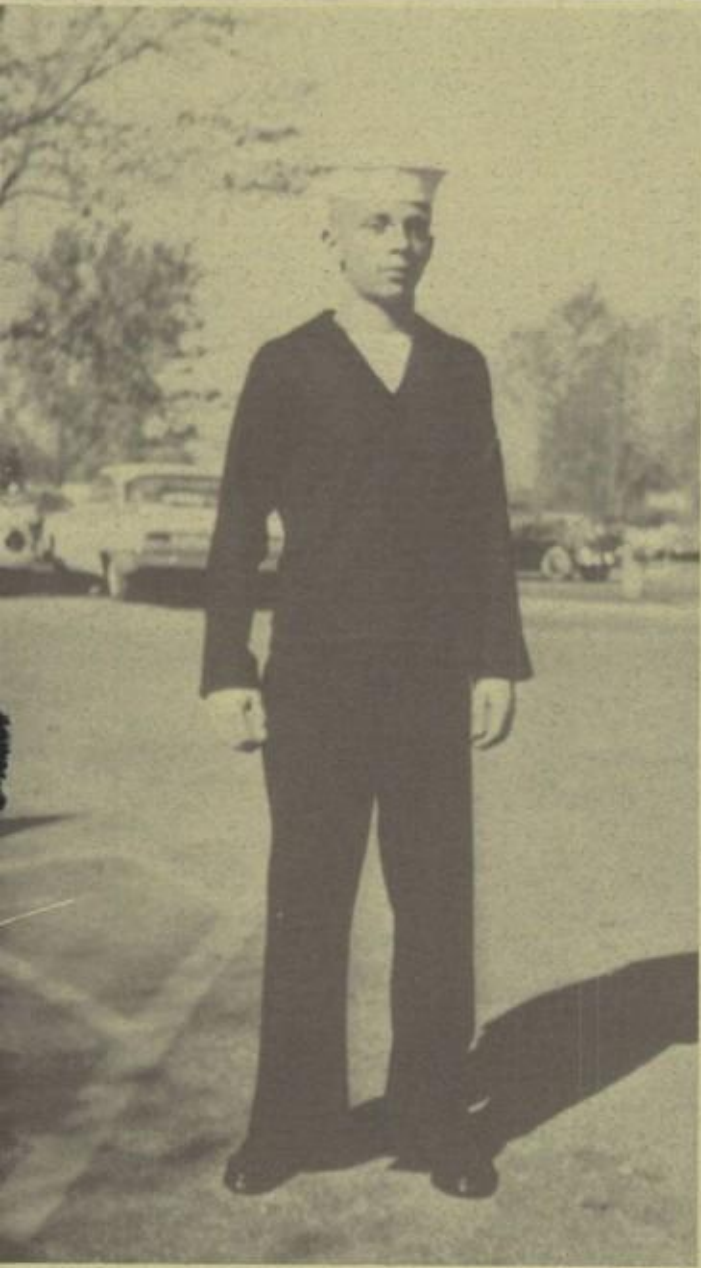

We are proud to call him our friend. As a teacher, he makes everything he teaches a little more "exciting", even photosynthesis. As a golf coach, he has given the team the guidance which enables them to put on an excellent performance.

We take this opportunity to thank him for taking a personal interest in our advancement as individuals during our four years here.

So to you, Mr. Scheible, we dedicate this 1973-74 edition of Quit Qui Oc hoping it will show our appreciation to you.

We gotta stop meeting like this.

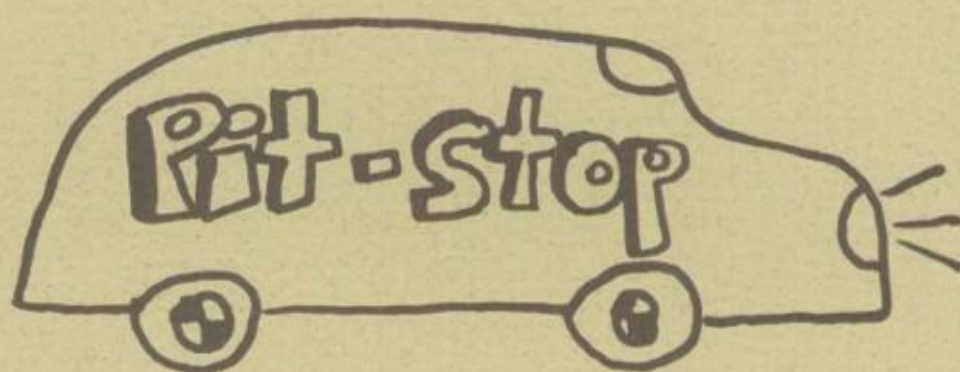

Want to join us?

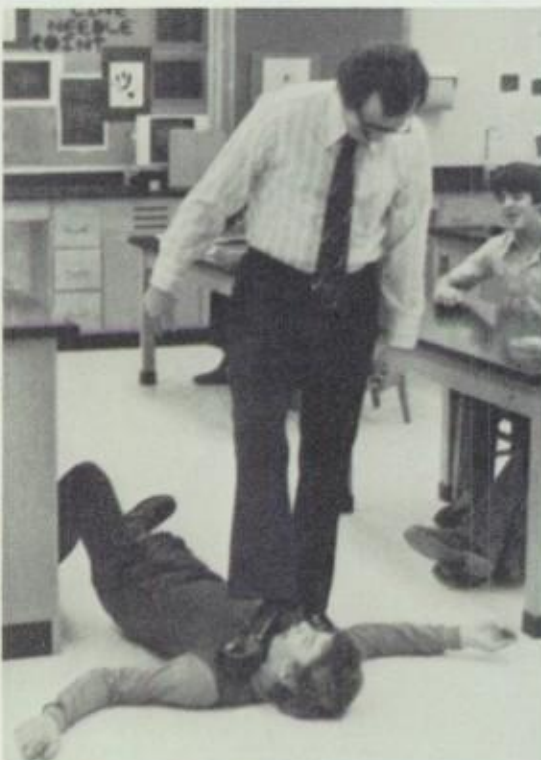

Hear no Evil? See no evil? Do no evil?

It's that way!

I want my lolli-pop.

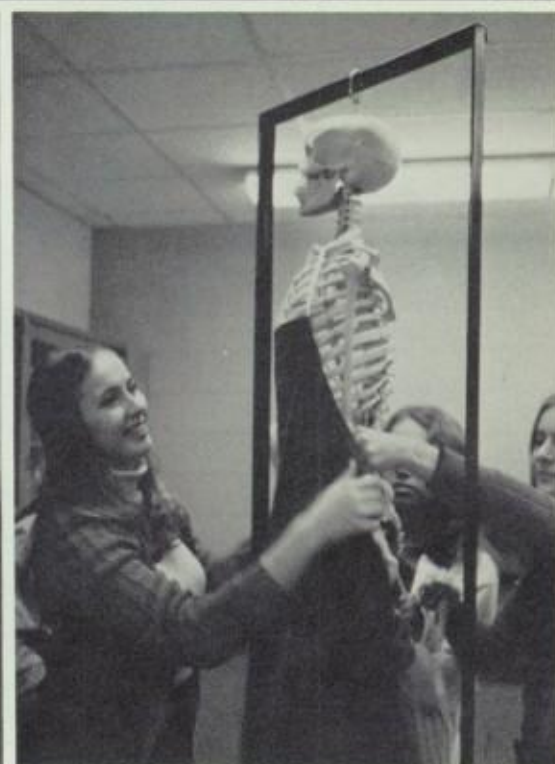

Surprise!

Boy, is this book educational?

Now I really want to take physics.

Say Mark, that's fairy nice.

FANS; one of the most important parts of sports or any other extra curricular activities. They show the spirit of P.H.S. through their support, interest, and "noise" and help prove P.H.S. is the best.

The

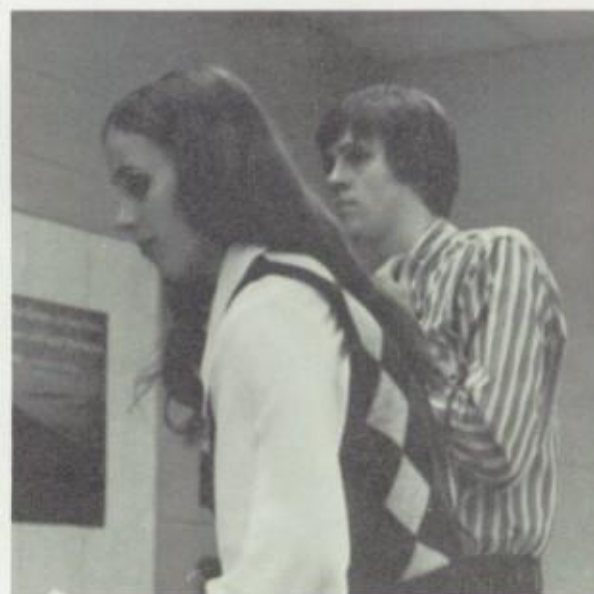

Rumble

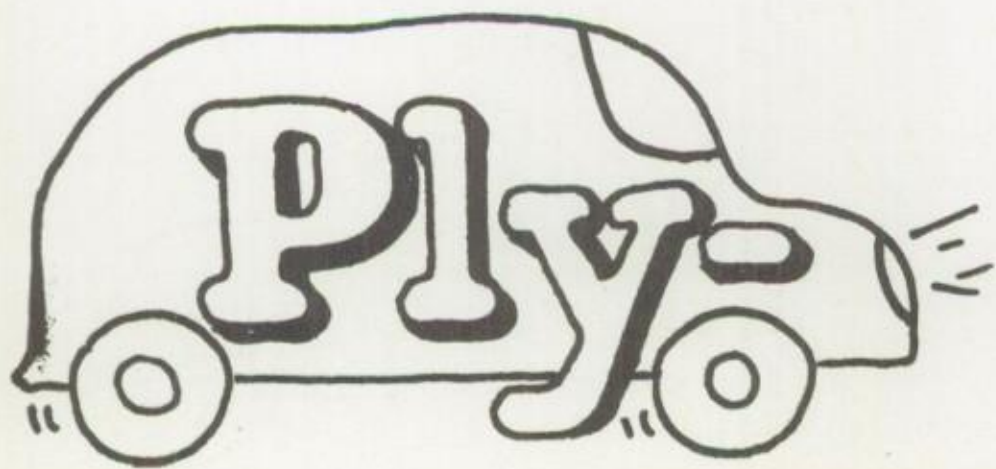

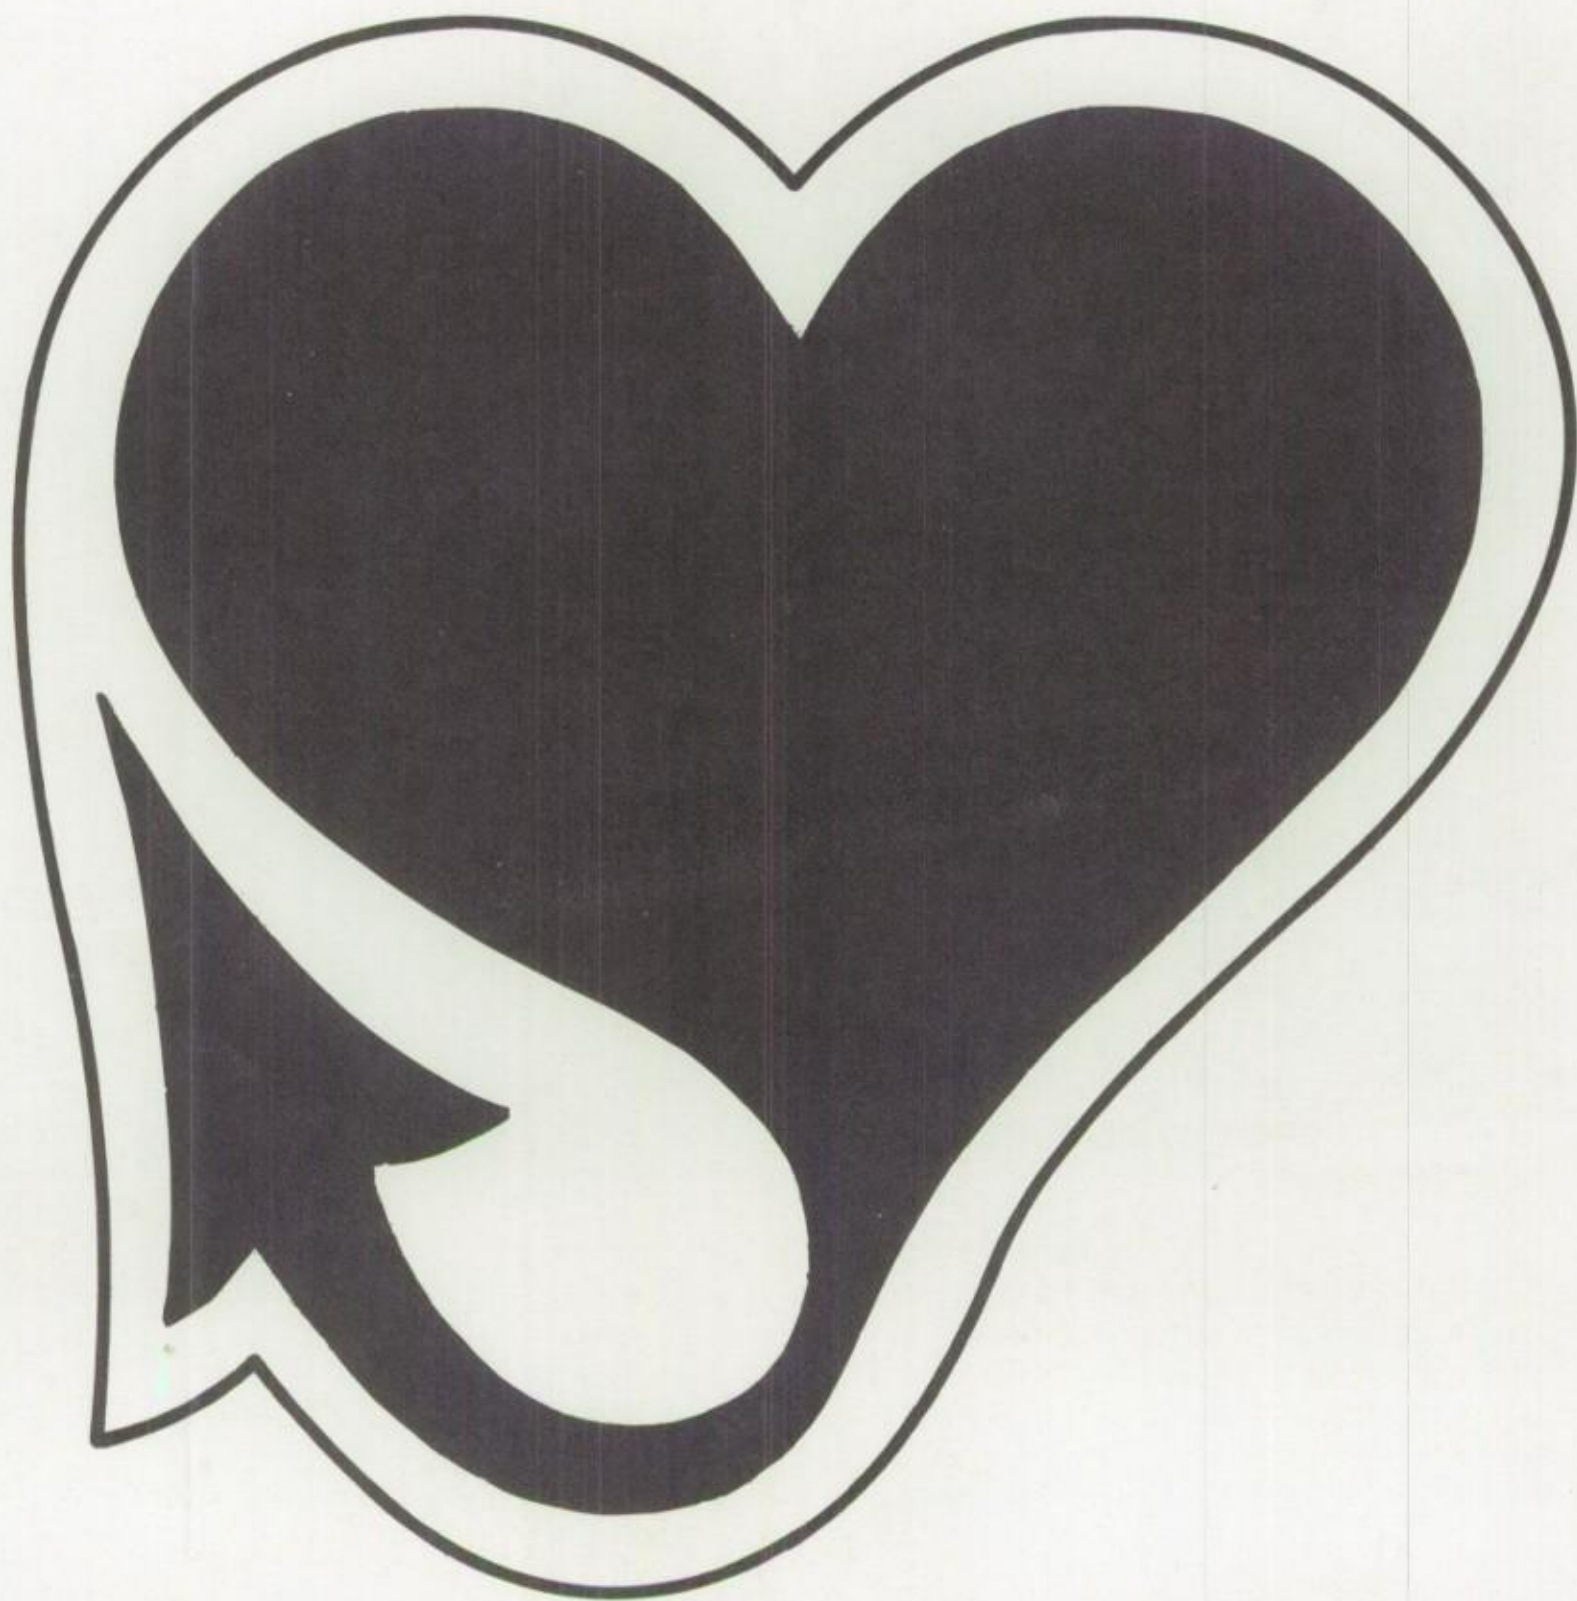

A sputter, ka-glonk, and hiss bing bang,  
Joyfully sounds as we pick up the gang.  
Parading through town, down the favorite street.  
Bumping ... laughing ... yelling ... squacking ... in our Rumble Seat.

The hour grows late, the sky gets dark,  
Some are sneaky, and try to park.  
Along comes the cop and asks why we're here,  
Faces blush ... "Uhh officer, would you believe — watching deer?"

## Turn Left at Atlantic to reach United States

(The following editorial was broadcast recently over Toronto, Canada, Radio by commentator Gordon Sinclair.)

The United States dollar took another pounding on German, French, and British exchanges this morning, hitting the lowest point ever known in West Germany. It has declined thereby nearly 41% since 1971, and this Canadian thinks it is time to speak up for the Americans as the most generous and possibly least appreciated on all the Earth.

As long as 60 years ago, when I first started to read newspapers, I read of floods on the Yellow River and the Yangtze. Who rushed in with men and money to help? The Americans did. They have helped to control floods on the Nile, the Amazon, the Ganges and the Niger. Today, the rich bottomland of the Mississippi is under water, and no foreign nation has helped.

Germany, Japan, and to a lesser extent, Britain and Italy were lifted out of the debris of war by Americans who poured in billions of dollars, and forgave other billions in debt. None of these countries is today paying even the interest on its remaining debts to the United States.

When the franc was in danger of collapsing in 1956, it was the Americans who "propped it up" and their reward was to be insulted and swindled on the streets of Paris. I was there. I saw it.

When distant cities are hit by earthquakes, it is the United States that hurries in to help. Minagua, Nicaragua is one of the most recent examples. So far this spring, 59 American communities were flattened by tornadoes. Nobody helped.

The Marshall Plan and the Truman Policy pumped billions upon billions of dollars into discouraged countries. Now newspapers in those countries are writing about the decadent, war-mongering Americans.

I'd like to see just one of those countries, that is gloating over the erosion of the United States dollar, build its own airplanes. C'mon, let's hear it! Does any other country in the world have a plane to equal the Boeing Jumbo Jet, the Lockheed Tri-Star, or the Douglas 10? If so, why don't they fly them? Why do all international lines except Russia fly American planes? Why does no other land on Earth even consider putting a man or woman on the moon?

## CONNECT THE DOTS 1974 THOUGHTS

Two-hundred and eighty kids took an opinion poll during their lunch modules about different things they liked. The results are as follows: the favorite type of candy is chocolate. The favorite plant is a rose and the favorite tree is the willow, with the pine running a close second. The favorite time of day, day of the week, and day of the year, is 3:20 Friday, and Christmas. There are quite a few favorite words, but a lot of people liked the four-lettered word love the best. Hi, also was a popular candidate. There were a number of favorite movies also. They were: The Way We Were, American Graffiti, Love Story, and The Poseidon Adventure. The favorite movie stars were Barbara Streisand and Raquel Welch in the female categorie, and John Wayne and Robert Redford in the male categorie. The favorite nick-names were Luke, Mollini, and Squirrel. Luke belonging to Pat Miller, Mollini belonging to Steve Passini, and Squirrel belonging to Linda Blanke. Randy Miller, Larry Suemnicht and Steve Passini have the favorite cars.

Valedictorian — Mary Claire Shultz

Salutatorian — LuAnn Nicodemus

there's a yearning in me to believe that the universe is held together at the center, that somewhere in the whirling galaxies I may pin my hopes; a yearning in the meaning — less rat race to be and stand; to reach thru the walls of death & hate to shake hands with life & love; a yearning to belong, create, participate and feel valued from the core of creation; a yearning to sing, in tragedy and thru death, the praise of life

# IN MEMORIAM

In Reading words written of him  
You begin to understand  
That Heaven and Earth are not so very far apart.  
That one who walked with us and spoke our words, player our  
games  
and took leisure . . .

Gone? No, he stays with us, today, and whenever we kindly choose  
to remember him in our prayers.

Alone . . .  
is dark and cold even on a sunny day.  
What does it matter anyway?  
Bury yourself  
    in your thoughts,  
No matter how dull or gray.  
will these days  
one day,  
forever  
leave.  
will these years  
always be  
waiting,  
wanting  
for someone — anyone to see  
I am somebody  
I  
am me.

Needless to say you all probably know Mr. Robert Stoll, vocal director of P.H.S.'s Music department. He's been quite the busy man with his many varied activities throughout the year. Some of the activities are the Christmas Show, Solo and Ensemble, the "Cabaret," The Spring Concert with the band and chorus, and concerts presented at other local schools. And of course, "No, No, Nanette." This year's musical. Needing no introduction at all is the Swing Choir. Some of their activities include the National Cheese Symposium in Milwaukee, the Mexican Fiesta in Milwaukee, the Barbershoppers in Sheboygan, and the Women's Club at Lakeland College.

# MADE IN BRAZIL

Dear People of Plymouth,

What more can I say to you who made one of my biggest dreams a reality than thank you.

What I learned, what I saw here, all the love I got from my friends in this community and my family is too difficult for me to explain in a few lines.

All the happy moments I had, all the things I knew and saw, couldn't be possible if you hadn't made an all out effort during the previous year. You found one of the best families in Plymouth and the United States. I can consider myself a "real" member of the Mills' family because I really felt like I was at home.

I was never without friends. When I had trouble they helped me understand things. I was always welcome in all places and nothing can make me more happy than seeing you again. Maybe you could visit me in my country where I would be so glad to return some of what I have received here.

I would like to give my best wishes to future exchange students who will spend their year here. They will be lucky to live and study here in Plymouth, where I learned, made unforgettable friends (who I have begun to miss already), and had an experience in life.

Some people who I will never forget are the AFS Committee and the AFS Club who made my year possible.

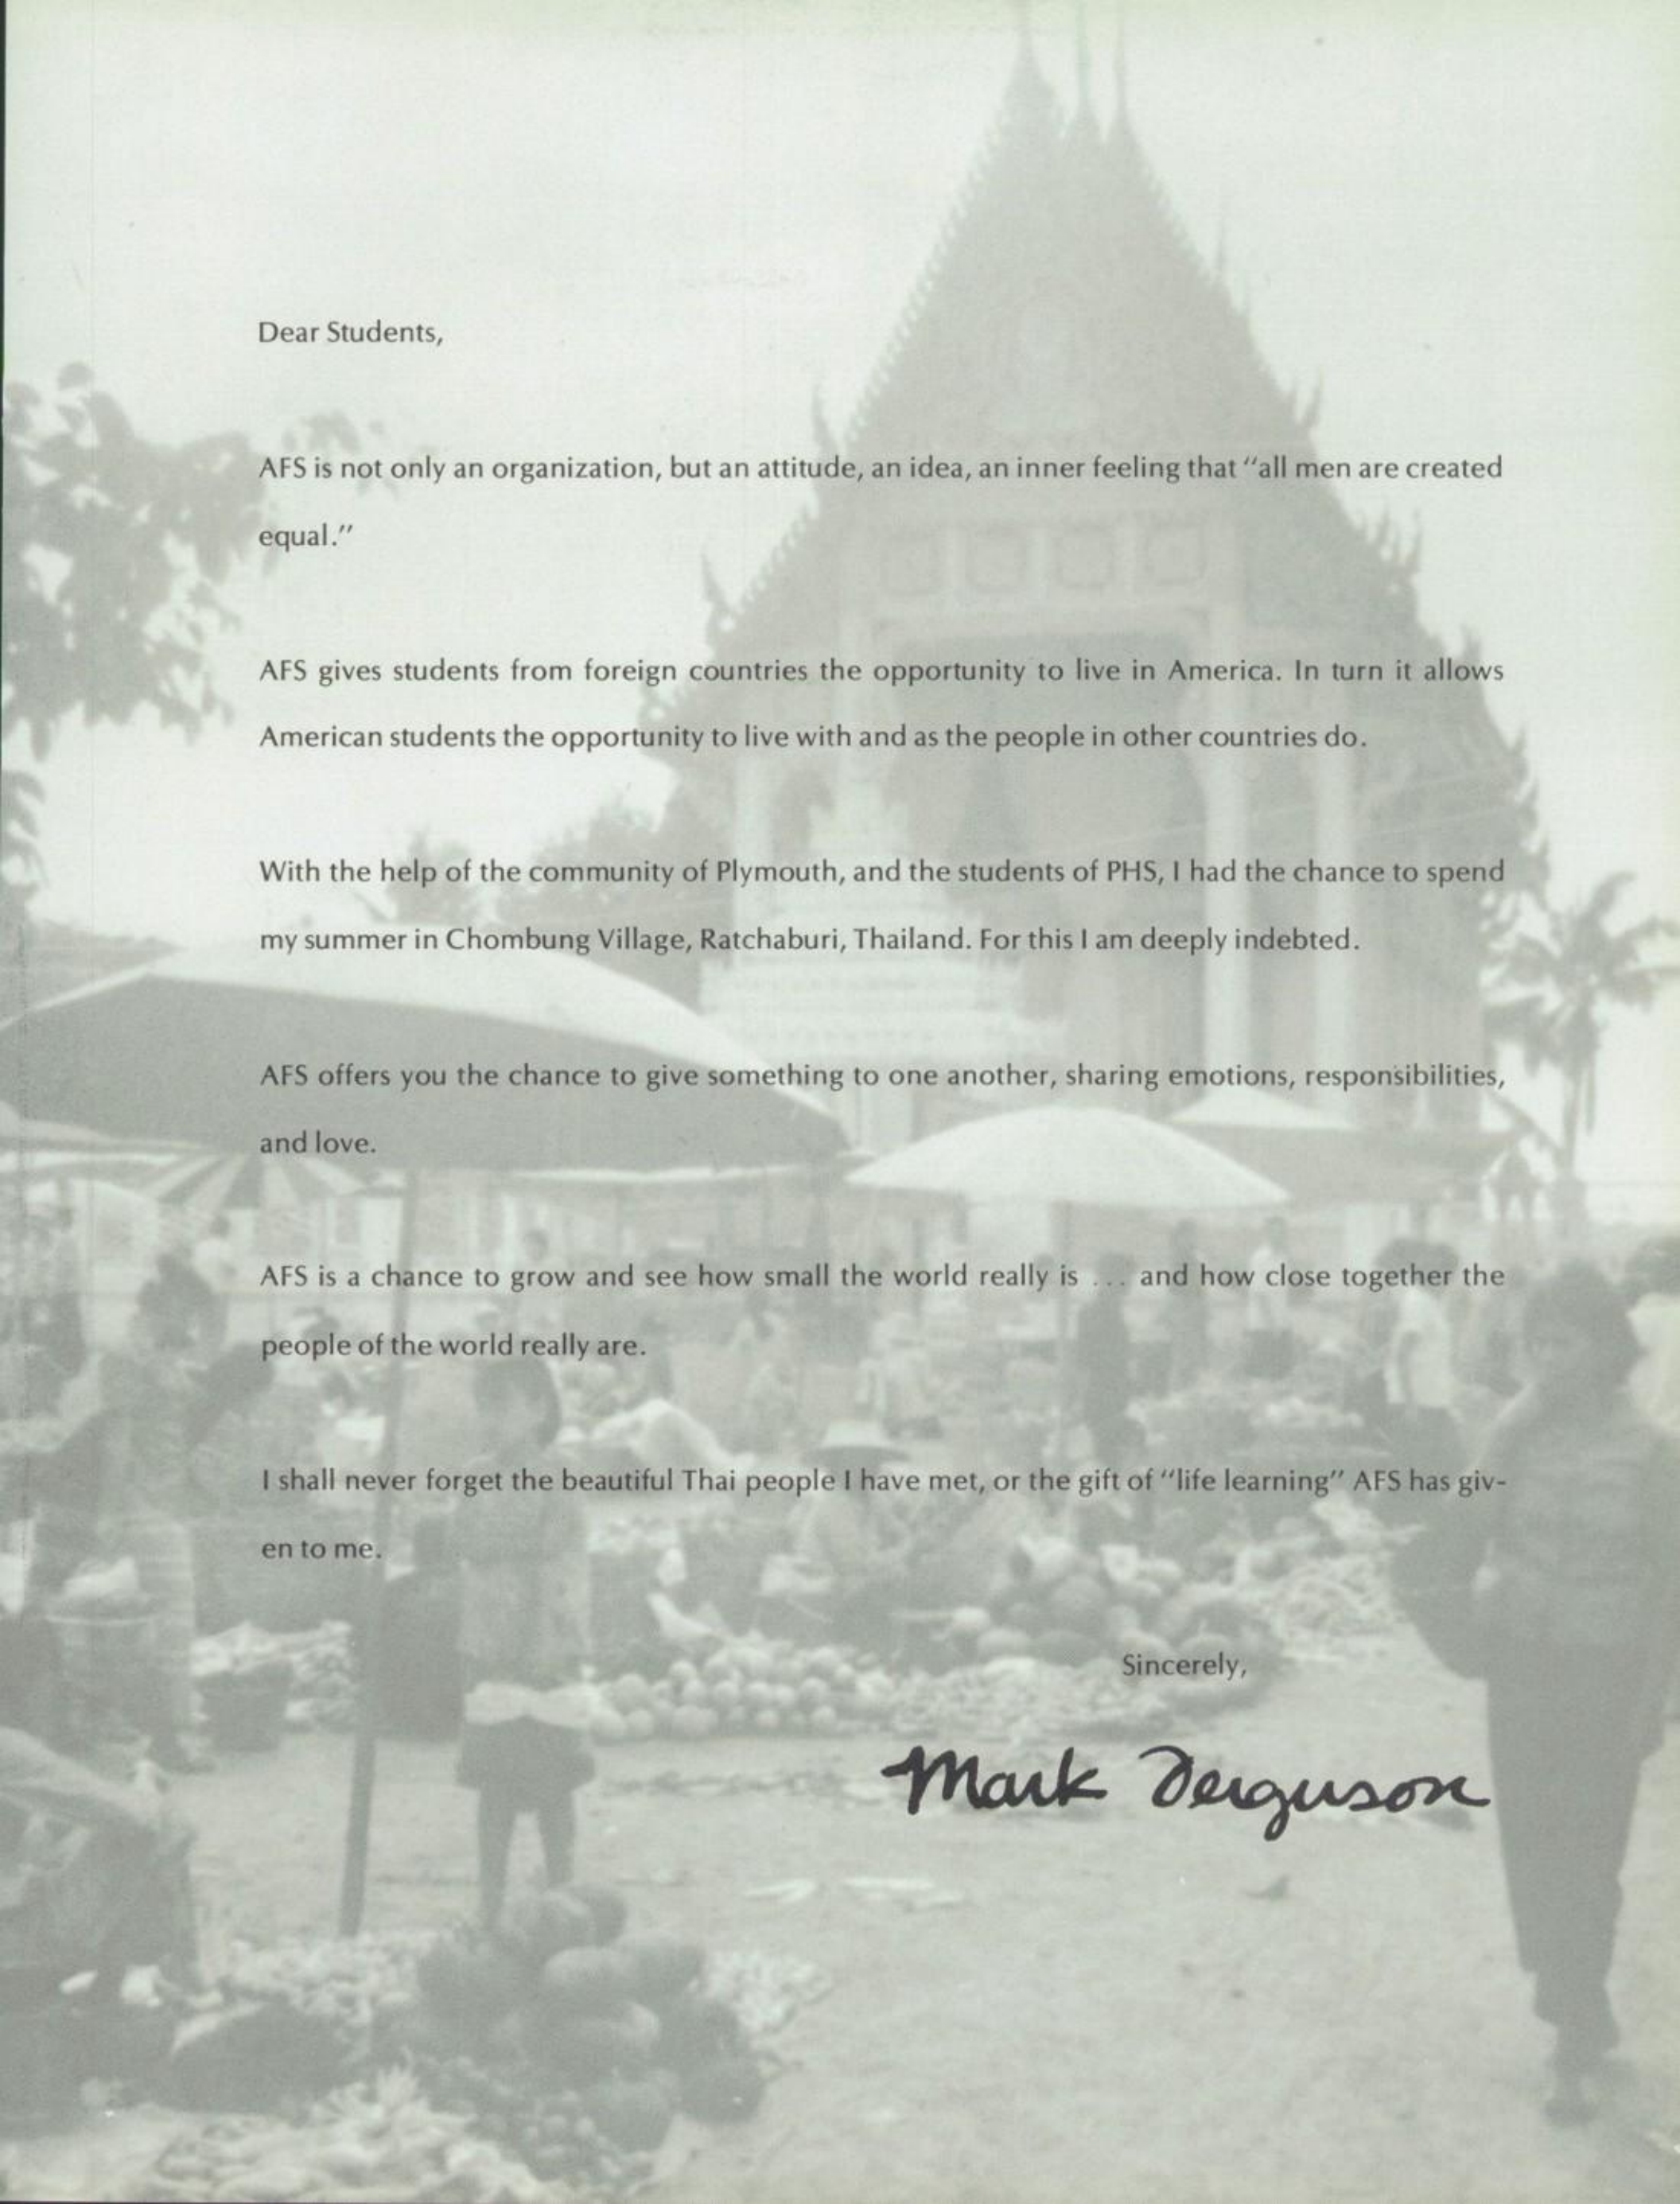

I could keep on writing, but it would take up the whole book.

I would like to finish with a sincere Brazilian thanks. Obrigado Plymouth, Obrigado the United States and not Good-by, but I'll see you.

*Claudio Lima*

Dear Students,

AFS is not only an organization, but an attitude, an idea, an inner feeling that "all men are created equal."

AFS gives students from foreign countries the opportunity to live in America. In turn it allows American students the opportunity to live with and as the people in other countries do.

With the help of the community of Plymouth, and the students of PHS, I had the chance to spend my summer in Chombung Village, Ratchaburi, Thailand. For this I am deeply indebted.

AFS offers you the chance to give something to one another, sharing emotions, responsibilities, and love.

AFS is a chance to grow and see how small the world really is ... and how close together the people of the world really are.

I shall never forget the beautiful Thai people I have met, or the gift of "life learning" AFS has given to me.

Sincerely,

*Mark Ferguson*

This club has the purpose of trying to initiate a greater interest in science among the students at P.H.S. Each year we have some money raising projects like a bake sale. At the end of the year we go on a one day trip to some place that has a related interest to science.

Wanda Weinbauer

# LIBRARY CLUB

Library Club: The students who belong to the Library Club spend their time seeing that the library functions smoothly and efficiently so research and work can be done properly. Members shelve drawn-out books, distribute attendance slips to study halls, recommend books for readers, help students find books, organize the magazine room, and provide an annual Christmas tea for the teachers.

# HI-LIGHTS

Hi-Lights: This year the Hi-Lights has an all new staff, and an all new paper. The staff worked not only as a club but as a class. The paper is more wide-spread, and an effort is being made to increase community circulation. First and second semester classes consist of different people, but all are hard working and deserve a big thanks for making the paper what it is.

The Plymouth High School Future Teachers of America Club consists of students interested in entering the field of education as their future career.

Working under the guidance of a teacher, each member studies and identifies the qualities, traits, and aptitudes which are basic or related to successful teaching. Through this teacher-club member relationship an awareness should result of vocational opportunities in education and the special competences required thus aiding in the selection of a member's post high school education.

As the governing body of the students, council aims to be the intermediary between the students and the administration. The council strives to have the administration and students be made aware of each other's problems, expressing the criticisms and needs to each and working the possible solutions.

Yet council falls short of this goal many times causing the students and administration to become critical of each other and the council. Too many times the council is not organized and effective in understanding the problems and wastes most of its time in planning activities rather than working on problems that are hindering the growth of the school. Activities do give the school somewhat of a better atmosphere. Council has planned assemblies, dances, a winter carnival, an Ugly Man Contest, a concert, and an all school paper recycling drive, yet this should not be the ultimate goal of the organization.

Rather council has decided to grow and strengthen the school to make it a better place to attend. For instance, the study hall problem was worked on and proposals for changes were drawn up. The need for responsibility and freedom was discussed in order for this school's atmosphere to become better.

This year council may not have done any earth shaking things, but this school has improved, along with the atmosphere. As students demonstrate their willingness to take on responsibility, they will have more freedom and through this freedom council will continue to grow; students and administration will realize the power of cooperation and working with the council in obtaining the high goals of P.H.S.

The cross country squad was led this year by Most Valuable Runner Doug Grimes, freshman standout Steve Matheys and Team Captain Pat Miller. The team, thinnest in years, suffered from a lack of depth and experience. However, through hard work by all participating boys, a .500 winning percentage was achieved, including a fourth place finish in the Pack-erland Conference. Top Honors went to Doug Grimes who brought the conference individual championship to Plymouth for the first time, setting a course record of 13 minutes 27 seconds. Grimes qualified for sectional competition with an excellent fourth place finish at the Nicolet Regional, Dreztko Park, Milwaukee.

# BASEBALL

The Plymouth High School baseball team enjoyed another successful season under the direction of Coach Fred Henschel.

The Panthers finished second in the conference narrowly losing out to arch-rival Sheboygan Falls. The Panthers missed making it to the state tournament the second consecutive year and the fourth time in the last seven years by losing a close 2-0 game in the sectional finals.

The leading hitter for the Panthers was senior Bob Schuh who hit over .400 for the second year in a row. Bob was selected M.V.P. by his teammates while Dick Schuette was selected as team captain.

the stage is empty.  
 Lines are read,  
     positions are taken.  
 Hands pound hammers . . .  
     paint is spilled.  
     the lines are polished.  
 Practice . . .  
     Then . . .  
 . . . Mirrors see nervous faces;  
     Painted faces,  
 Faces staring at them,  
     mumbling their lines for the last time.  
 Behind the closed curtain  
     there is  
     excitement,  
     fear,  
     panic —  
 The audience might be moved  
     to laugh,  
 or to cry, or to silence.  
 The curtain goes up.  
     lines are forgotten,  
     cues missed.  
 The play goes on for two nights.  
     And then . . .  
 . . . the hammers are quiet and  
     the lines all read . . .  
     all glitter gone.  
 The stage is empty.  
 and  
     only the quiet echos of memory are heard.

The J.H. Williams Track Meet is an annual event honoring Jim H. Williams. Mr. Williams was a teacher at Plymouth High School from September of 1923 till June of 1959. He started as a Commercial teacher and went on to become Principal. He was the first track coach and also started the sport of football at Plymouth High. J. H. Williams was a firm, but highly respected man. — In 1950 the first track meet was held in honor of Mr. Williams. Last spring Plymouth tied with Sheboygan Falls for first place. The Court of Honor was selected by the Track team.

# Mr. AND Miss. Basketball 🏀 🏀

Pep Club sponsors Mr. & Miss Basketball each year. Any club in school that wishes to nominate a Senior girl for Miss Basketball does so. On the night of the game the students vote for a girl and a Senior member on the Varsity basketball team. The winners are announced at the dance. The dance this year was a record hop. Following the game with Kiel which he won 67-50, students started drifting into the dance. Soon everyone was there waiting for Coach "Cabby" Wild, who traditionally announces the reigning king and queen. Amid the shouting of "We want Cabby", Coach Wild proclaimed Scott Wilke and Vicki Marquardt as 1974's Mr. & Miss Basketball. Vicki and Scott led the first dance. The rest of the night passed by quickly and Mr. & Miss Basketball was over for one more year.

National Honor Society is by far the highest honor which can be bestowed upon a high school student. Selections are based on scholarship, service, leadership, character, and citizenship. Faculty members select 15% of the Senior class for membership in National Honor Society. To be eligible, a student must rank in the top one-third of his class scholastically.

Badger State representatives are chosen by the recommendations of a faculty committee along with the principal and their selections are based mainly upon citizenship. Badger State involves spending one week of the summer before the Senior year studying local, state, and national governmental processes. The girls spend their week at U.W. Madison while the boys participate at Ripon College.

The D.A.R. Good Citizen Award is, too, a great honor since the recipient is chosen by her fellow students. This award is a special recognition for one of the outstanding citizens in the Senior class.

The Betty Crocker Homemaker Award is received by the girl or boy who achieves the highest score on a scholarship test put out by General Mills. This year about one hundred students wrote the test which is based on common sense and practical experiences.

Now that your near  
promise your love

that I've waited to share  
And dreams  
of our moments together  
Colour My World with hope  
Of Loving You.

## FERGUSONS FOR AFS

On Halloween Gary and Mark Ferguson entertained us with a variety of songs. Many of the songs were new to us because the Fergusons had written the songs themselves. The purpose of the concert was to raise money for the AFS Club. They sold 760 tickets and raised \$380.00.

## U.W.S.

## BAND HITS PLYMOUTH

The University of Sheboygan Band provided us with a fine performance for the second year. They played many different types of songs and gave us a sample of what a synthesizer sounds like when played. Everyone in the audience and on stage seemed to have a good time.

## U. W. O. DANCERS

A new type of program was presented to us on January 30 by the University of Wisconsin Osh-

kosh. It was modern dance. The performers explained the purpose and various movements of their dances. After doing six different dances they answered our questions on dance.

## LT. GOVERNOR SPEAKS

On Valentine's Day we were honored with a visit from Lt. Governor Martin Schrieber. He started off by asking us what we thought of past Presidents and our current President. A speech followed stressing the idea of involvement in politics. The hour concluded with students asking questions.

## PROGRAMS SCHEDULED

Jazz Musician Charles King presented an assembly on March 14. The Oshkosh State University Band performed on March 25.

# No. No, Nanette

"I Want to Be Happy" is the magical essence of No, No Nanette the nostalgic 1925 musical. The story evolves around a publisher of Bibles, Jimmy Smith, who uses his philosophy of making people happy by supporting three lovely girls. Of course, the girls enjoy spending Jimmy's money, but Jimmy fears his wife, Sue will find out. He seeks his lawyer friend, Billy Early to "buy the girls off." Billy and his assistant Tom Trainor plan to make a deal without Jimmy's wife finding out. However, Sue over hears Billy's conversation with the three girls and thinks he is fooling around with them. She immediately tells Billy's wife, Lucille that he is galavanting around with the three lovelies. Marriages are about to be broken, love affairs ended, the threat of scandal, and blackmail are in the air. Through all the confusion everyone finds their hopes and dreams. Everyone is Happy. The show's sparkle is due to the fast and exciting dance numbers, the snappy conversations and the catching show tunes. All in all No, No, Nanette is the happiest musical in town.
